OFFICE FOR ZERO EMISSION VEHICLES

Eligible residential chargepoints

1. I am pleased to inform you that your eligibility application for the following chargepoint model(s) has been successful:
 - **SOLARWATT Charger vision 1.0 (7.3 kW, Shutter)**
 - **SOLARWATT Charger vision 1.0 (11 kW, Shutter)**
 - **SOLARWATT Charger vision 1.0 (11 kW, 6m Type 2 cable)**
2. We will add the chargepoint model, and your contact details, to the OZEV Eligible Chargepoint List on our www.gov.uk/government/publications/authorised-chargepoint-model-list webpages shortly. Please note that this approval is only for the chargepoints listed above.
3. If you decide you would like to remove a chargepoint, or your company, from the list please provide OZEV with written notice via email to chargepointapprovals@dft.gov.uk.
4. The above chargepoints meet the [Residential chargepoints: minimum technical specification](#)
5. We would like to remind you that any installed chargepoint must have a minimum operational life of 3 years and that a 3-year warranty providing parts and labour must be provided. **Please ensure that any guidance or manuals you supply to customers makes this warranty period clear.**

6. The Department for Transport (and OZEV as part of the Department) is subject to the Freedom of Information Act 2000 and the Environmental Information Regulations 2004. The handling of information requests received by the Department may require information held by it to be disclosed.
7. Your data will be processed in agreement with current data protection regulations. A copy of the full Privacy Policy, which includes the information we collect, how we use it, how long we store it, and under what circumstances, if any, we will share it with other parties, is available [here](#).

Yours sincerely,

Work and Residential Grants Team
